- I. Public Comment
- II. Introductions/Overview of Advisory Board
- III. Approval of minutes from April 2020 meeting (action)
- IV. Logo Input and Vote (action)
- V. I'm having difficulty sending email, so excuse me if you get this twice! Thanks for sending the logos. All are great and I can support any, but here are my thoughts - I love the mountains and sun in C. The purple is often how our mountains look and the sun sends a message of expansion and positivity. I like the words in D. They seem to reflect the mission and work of MCBH. Moving mountains is used a lot and quite generic. Also I prefer the darker fonts for Mono County Behavioral Health rather than the faded. Also I found D to be too much green. Just my thoughts, but again all good and I can support any!
